1. INTRODUCTION

This SolarLease® (this “Lease”) is the agreement between you and SolarCity Corporation (together with its successors and assigns, “SolarCity” or “we”), covering the lease to you of the solar panel system (the “System”) described below. The System will be installed by SolarCity at the address you listed above. This Lease will refer to this address as the “Property” or your “Home.” This Lease is up to thirteen (13) pages long and has up to three (3) Exhibits depending on the state where you live. This Lease has disclosures required by the Federal Consumer Leasing Act and, where applicable, state law. SolarCity provides you with a Performance Guarantee and Limited Warranty (the “Limited Warranty”). The Limited Warranty is attached as **Exhibit 2**. SolarCity will also provide you with a System user manual entitled “Solar Operation and Maintenance Guide” (the “Guide”), that contains important operation, maintenance and service information. This is a legally binding agreement, so please read everything carefully including all of the exhibits. If you do not meet your contract obligations under this Lease, you may lose your rights to the System. If you have any questions regarding this Lease, please ask your SolarCity sales consultant.

2. LEASE TERM

SolarCity agrees to lease you the System for **20** years (240 full calendar months), plus, if the Interconnection Date is not on the first day of a calendar month, the number of days left in that partial calendar month, including the Interconnection Date. We refer to this period of time as the “Lease Term.” The Lease Term begins on the Interconnection Date. The Interconnection Date is the date that the System is turned on and generating power. SolarCity will notify you by email when your System is ready to be turned on.

C. Other Charges:

The pricing in this contract assumes that you will apply for the State of Oregon Renewable Energy Tax Credit ("RETC"). SolarCity will assist you in your application for the RETC. Depending on the timing of your installation and the value of incentives available, SolarCity may apply on your behalf for volumetric incentive payments under the State of Oregon's Solar Photovoltaic Systems Pilot Program (the "FIT").

Unless you receive and assign the FIT to SolarCity pursuant to Exhibit 3B of this Agreement, in addition to your monthly payments listed in Section 4B above, you will be required to make an Oregon incentives adjustment payment of \$75.00 per month for the first 48 months of the term of this Lease. You may prepay any or all of such amounts at any time prior to such payments being due. You must make this payment regardless of whether you use the RETC.

You may terminate this Agreement at any time prior to commencement of installation of your System (but no later) if you are switched from the RETC to FIT program.

If you elect to make automatic Monthly Payments from your checking or savings account, then you will receive a discount of \$15 on your Monthly Payments. The Monthly Payments listed above reflect this discount. If you do not elect automatic Monthly Payments, this discount will not be applied to your Monthly Payments and each Monthly Payment will be \$15 greater.

D. Total of Payments (A+B+C) = \$10,127.04

This is the total amount you will have paid by the end of this Lease. It includes the Monthly Payments stated above and estimated taxes of \$0.00.

E. Purchase Option At End of Lease Term:

If you are not in default under this Lease, you will have an option to purchase the System at the end of the Lease Term for \$28,651.00.

F. Other Important Terms:

See Section 2 above for additional information on the Lease Term and also see below for additional information on termination, purchase options, renewal options, maintenance responsibilities, warranties, late and default charges and prohibition on assignment without SolarCity's consent. Payments due upon installation are due immediately prior to commencement of installation.

If you receive the FIT, your payments under this contract will be less (as stated above in Boxes 4(C) and (D)). We will notify you of any such payment change no later than the installation of your system.

5. LEASE OBLIGATIONS

(a) System, Home and Property Maintenance

You agree to:

- (i) only have the System repaired pursuant to the Limited Warranty and reasonably cooperate when repairs are being made;

- (iv) not modify your Home in a way that shades the System;

- (vi) not remove any markings or identification tags on the System;
- (vii) permit SolarCity, after we give you reasonable notice, to inspect the System for proper operation as we reasonably determine necessary;

- (ix) not do anything, permit or allow to exist any condition or circumstance that would

cause the System not to operate as intended at the Property;

- (xi) have anyone who has an ownership interest in your Home sign this Lease;

(b) System Construction, Repair, Insurance and SolarCity's obligations:

SolarCity agrees to:

- (i) schedule the installation of the System at a mutually convenient date and time;
- (ii) construct the System according to written plans you review;
- (iii) provide you with a web-enabled meter to accurately measure the amount of power the System delivers to you;

- (v) clean up after ourselves during the construction of the System;
- (vi) repair the System pursuant to the Limited Warranty and reasonably cooperate with you when scheduling repairs;

- (viii) not put a lien on your Home or Property.

(c) Home Renovations or Repairs

If you want to make any repairs or improvements to the Property that could interfere with the System (such as repairing the roof where the System is located), you may only remove and replace the System pursuant to the Limited Warranty.

(d) Automatic Payment; Fees; Late Charges

In addition to the other amounts you agree to pay in this Lease, you agree to pay the following:

- (i) Automatic Payment Discount: All prices include a \$15 monthly discount for using automatic payment. You will not receive a \$15 monthly discount if you do not make automatic Monthly Payments through your checking or savings account;

- (iii) Late payments: accrue interest at twelve percent (12%) annually or the maximum allowable by applicable law; and
- (iv) Product Change Fee: if after you sign this Lease, but before we begin installation, you decide you would prefer an alternative SolarCity product (a PPA,

or a prepaid SolarLease, etc.) you will pay a \$250 change fee.

(e) Insurance

SolarCity shall insure the System against all damage or loss unless (i) that damage or loss is caused by your gross negligence; or (ii) you intentionally damage the System.

(f) Estimated Taxes

You agree to pay any applicable sales or use taxes on the Monthly Payments due under this Lease. If this Lease contains a purchase option at the end of the Lease Term, you agree to pay any applicable tax on the purchase price for the System. You also agree to pay as invoiced any applicable personal property taxes on the System that your local jurisdiction may levy. The total estimated amount you will pay for taxes over the Lease Term is **\$0.00**.

(g) No Alterations

You agree that you will not make any modifications, improvements, revisions or additions to the System or take any other action that could void the Limited Warranty on the System without SolarCity's prior written consent. If you make any modifications, improvements, revisions or additions to the System, they will become part of the System and shall be SolarCity's property.

(h) Access to the System

- (i) You grant to SolarCity and its employees, agents and contractors the right to reasonably access all of the Property as necessary for the purposes of (A) installing, constructing, operating, owning, repairing, removing and replacing the System or making any additions to the System or installing complementary technologies on or about the location of the System; (B) enforcing SolarCity's rights as to this Lease and the System; (C) installing, using and maintaining electric lines, inverters and meters, necessary to interconnect the System to your electric system at the Property and/or to the

utility's electric distribution system; or (D) taking any other action reasonably necessary in connection with the construction, installation, operation, maintenance, removal or repair of the System. This access right shall continue for up to ninety (90) days after this Lease expires to provide SolarCity with time to remove the System at the end of the Lease Term. SolarCity shall provide you with reasonable notice of its need to access the Property whenever commercially reasonable.

- (ii) During the time that SolarCity has access rights you shall ensure that its access rights are preserved and shall not interfere with or permit any third party to interfere with such rights or access. You agree that the System is not a fixture, but SolarCity has the right to file any UCC-1 financing statement or fixture filing that confirms its interest in the System.

(i) Indemnity

To the fullest extent permitted by law, you shall indemnify, defend, protect, save and hold harmless SolarCity, its employees, officers, directors, agents, successors and assigns from any and all third party claims, actions, costs, expenses (including reasonable attorneys' fees and expenses), damages, liabilities, penalties, losses, obligations, injuries, demands and liens of any kind or nature arising out of, connected with, relating to or resulting from your negligence or willful misconduct; provided, that nothing herein shall require you to indemnify SolarCity for its own negligence or willful misconduct. The provisions of this paragraph shall survive termination or expiration of this Lease.

(j) Monthly Payments

The Monthly Payments section (Section 4(B)) describes your monthly payment obligations under this Lease. YOU AGREE THAT THIS IS A NET LEASE AND THE OBLIGATION TO PAY ALL MONTHLY PAYMENTS AND ALL OTHER

AMOUNTS DUE UNDER THIS LEASE SHALL BE ABSOLUTE AND UNCONDITIONAL UNDER ALL CIRCUMSTANCES AND SHALL NOT BE SUBJECT TO ANY ABATEMENT, DEFENSE, COUNTERCLAIM, SETOFF, RECOUPMENT OR REDUCTION FOR ANY REASON WHATSOEVER, IT BEING THE EXPRESS INTENT OF THE PARTIES THAT ALL AMOUNTS PAYABLE BY YOU HEREUNDER SHALL BE AND CONTINUE TO BE PAYABLE IN ALL EVENTS INCLUDING BY YOUR HEIRS AND ESTATE AND, EXCEPT AS SET FORTH BELOW IN SECTIONS 6, 23 AND 24, YOU HEREBY WAIVE ALL RIGHTS YOU MAY HAVE TO REJECT OR CANCEL THIS LEASE, TO REVOKE ACCEPTANCE OF THE SYSTEM, OR TO GRANT A SECURITY INTEREST IN THE SYSTEM.

- (k) You authorize SolarCity, or its designee, to obtain your credit report now and in the future, check your credit and employment history, answer questions others may ask regarding your credit and share your credit information with SolarCity's financing partners. You certify that all information you provide to us in connection with checking your credit will be true and understand that this information must be updated upon request if your financial condition changes.

6. CONDITIONS PRIOR TO INSTALLATION OF THE SYSTEM

(a) SolarCity's Obligation to Install and Lease

SolarCity's obligations to install and lease the System are conditioned on the following items having been completed to its reasonable satisfaction:

- (i) completion of (A) the engineering site audit (a thorough physical inspection of the Property, including, if applicable, geotechnical work), (B) the final System design, and (C) real estate due diligence to confirm the suitability of the Property for the construction, installation and operation of the System;
- (ii) approval of this Lease by SolarCity's financing partner(s);
- (iii) your meeting the applicable credit score;

- (iv) confirmation of rebate, tax credit and renewable energy credit payment availability in the amount used to calculate the Monthly Payment amounts set forth in this Lease;
- (v) confirmation that SolarCity will obtain all applicable benefits referred to in Section 9;
- (vi) receipt of all necessary zoning, land use and building permits; and
- (vii) completion of any renovations, improvements or changes reasonably required at your Home or on the Property (e.g. removal of a tree or roof repairs necessary to enable SolarCity to safely install the System).

SolarCity may terminate this Lease without liability if, in its reasonable judgment, any of the above listed conditions (i) through (vi) will not be satisfied for reasons beyond its reasonable control. Once SolarCity starts installation, however, it may not terminate this Lease for the failure to satisfy conditions (i) through (vi) above.

(b) Amendments, Your Right to Terminate for Material Changes.

Both parties will have the right to terminate this Lease, without penalty or fee, if SolarCity determines after the engineering site audit of your Home that it has misestimated by more than ten percent (10%) any of (i) the System size, (ii) the System's total cost or (iii) the System's annual production. Such termination right will expire at the **earlier** of (A) one (1) week prior to the scheduled System installation date and (B) one (1) month after we inform you in writing of the revised size, cost or production estimate. If neither party exercises their right to terminate this Lease following such a 10% change, then any changes to the System will be documented in an amendment to this Lease. You authorize SolarCity to make corrections to the utility paperwork to conform to this Lease or any amendments to this Lease we both sign.

7. WARRANTY

YOU UNDERSTAND THAT THE SYSTEM IS WARRANTED SOLELY UNDER THE LIMITED WARRANTY ATTACHED AS **EXHIBIT 2**, AND THAT THERE ARE NO OTHER REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, AS TO THE MERCHANTABILITY, FITNESS FOR ANY PURPOSE, CONDITION, DESIGN, CAPACITY, SUITABILITY OR PERFORMANCE OF THE SYSTEM OR ITS INSTALLATION.

8. TRANSFER

SolarCity works with banks, large companies and other significant financing partners to finance your System. As a result, SolarCity will assign this Lease to one of its financing partners. SolarCity may assign, sell or transfer the System and this Lease, or any part of this Lease or the exhibits, without your consent. Assignment, sale or transfer generally means that SolarCity would transfer certain of its rights and certain of its obligations under this Lease to another party. This assignment does not change SolarCity's obligation to maintain and repair your System as set forth in the Limited Warranty.

9. OWNERSHIP OF THE SYSTEM; TAX CREDITS AND REBATES

You agree that the System is SolarCity's personal property under the Uniform Commercial Code. You understand and agree that this is a lease and not a sale agreement. SolarCity owns the System for all purposes, including any data generated from the System. You shall at all times keep the System free and clear of all liens, claims, levies and legal processes not created by SolarCity, and shall at your expense protect and defend SolarCity against the same.

YOU UNDERSTAND AND AGREE THAT ANY AND ALL TAX CREDITS (OTHER THAN THE OREGON RESIDENTIAL ENERGY TAX CREDIT), INCENTIVES, RENEWABLE ENERGY CREDITS, GREEN TAGS, CARBON OFFSET CREDITS, UTILITY REBATES OR ANY OTHER NON-POWER ATTRIBUTES OF THE SYSTEM ARE THE PROPERTY OF AND FOR THE BENEFIT OF SOLARCITY, USABLE AT ITS SOLE DISCRETION. SOLARCITY SHALL HAVE THE

EXCLUSIVE RIGHT TO ENJOY AND USE ALL SUCH BENEFITS, WHETHER SUCH BENEFITS EXIST NOW OR IN THE FUTURE. YOU AGREE TO REFRAIN FROM ENTERING INTO ANY AGREEMENT WITH YOUR UTILITY THAT WOULD ENTITLE YOUR UTILITY TO CLAIM ANY SUCH BENEFITS. YOU AGREE TO REASONABLY COOPERATE WITH SOLARCITY SO THAT IT MAY CLAIM ANY TAX CREDITS, RENEWABLE ENERGY CREDITS, REBATES, CARBON OFFSET CREDITS OR ANY OTHER BENEFITS FROM THE SYSTEM. THIS MAY INCLUDE, TO THE EXTENT ALLOWABLE BY LAW, ENTERING INTO NET METERING AGREEMENTS, INTERCONNECTION AGREEMENTS, AND FILING RENEWABLE ENERGY/CARBON OFFSET CREDIT REGISTRATIONS AND/OR APPLICATIONS FOR REBATES FROM THE FEDERAL, STATE OR LOCAL GOVERNMENT OR A LOCAL UTILITY AND GIVING THESE TAX CREDITS, RENEWABLE ENERGY/CARBON CREDITS, REBATES OR OTHER BENEFITS TO SOLARCITY.

10. PURCHASING THE SYSTEM PRIOR TO THE END OF THE LEASE TERM

You may not purchase the System prior to the end of the Lease Term.

11. RENEWAL

If you are in compliance with your Lease, you have the option to renew your Lease for up to ten (10) years in two (2) five (5) year renewal periods. We will send you renewal forms three (3) months prior to the expiration of the Lease Term, which forms shall set forth the new Monthly Payments due under the renewed Lease, based on our assessment of the then current fair market value of the System. If you want to renew, complete the renewal forms and return them to us at least one (1) month prior to the expiration of the Lease Term. In the event that you respond that you do not agree to the new Monthly Payments, the Lease shall expire by its terms on the termination date. If you don't send us anything in writing after we send you the renewal forms, then this Lease shall renew for an additional one (1) year term at ten percent (10%) less than the then-current average rate charged by your local utility and shall continue to renew for one (1) year terms at that same rate until (i)

you give us notice at least thirty (30) days prior to a renewal term that you do not wish to renew; or (ii) we send you a notice terminating the Lease.

12. SELLING YOUR HOME

(a) If you sell your Home you can:

(i) **Transfer this Lease and the Monthly Payments.**

If the person buying your Home meets SolarCity's credit requirements, then where permitted by the local utility, the person buying your Home can sign a transfer agreement assuming all of your rights and obligations under this Lease.

(ii) **Move the System to Your New Home.**

If you are moving to a new home in the same utility district, then where permitted by the local utility, the System can be moved to your new home pursuant to the Limited Warranty. You will need to pay all costs associated with relocating the System, execute and provide the same access and ownership rights as provided for in this Lease and provide any third party consents or releases required by SolarCity in connection with the substitute premises.

(iii) **Prepay this Lease and Transfer only the Use of the System.**

At any time during the Lease Term, if the person buying your home does not meet SolarCity's credit requirements, but still wants the System, then you can (A) prepay the payments remaining on the Lease (See Section 16(g)(i) and (ii)), (B) add the cost of the Lease to the price of your home; and (C) have the person buying your Home sign a transfer agreement to assume your rights and non-Monthly Payment obligations under this Lease. The System stays at your Home, the person buying your Home does not make any Monthly Payments and has only to comply with the non-Monthly Payment portions of this Lease.

- (b) You agree to give SolarCity at least fifteen (15) days but not more than three (3) months' prior written notice if you want someone to assume your Lease obligations. In connection with this assumption, you, your approved buyer and SolarCity shall execute a written transfer of this Lease. Unless we have released you from your obligations in writing, you are still responsible for performing under this Lease. If your buyer defaults on this Lease and we have not yet signed the transfer agreement, you will be responsible for their default. We will release you from your obligations under this Lease in writing once we have a signed transfer agreement with the person buying your Home (provided such person has been approved as a transferee by SolarCity in writing).
- (c) If you sell your Home and can't comply with any of the options in subsection (a) above, you will be in default under this Lease. Section 12(a) includes a Home sale by your estate or heirs.
- (d) EXCEPT AS SET FORTH IN THIS SECTION, YOU WILL NOT SUBLEASE, ASSIGN, SELL, PLEDGE OR IN ANY OTHER WAY TRANSFER YOUR INTEREST IN THE SYSTEM OR THIS LEASE WITHOUT OUR PRIOR WRITTEN CONSENT, WHICH SHALL NOT BE UNREASONABLY WITHHELD.

13. LOSS OR DAMAGE

- (a) Unless you are grossly negligent or you intentionally damage the System, SolarCity will bear all of the risk of loss, damage, theft, destruction or similar occurrence to any or all of the System. Except as expressly provided in this Lease, no loss, damage, theft or destruction will excuse you from your obligations under this Lease, including Monthly Payments.
- (b) If there is loss, damage, theft, destruction or a similar occurrence affecting the System, and you are not in default of this Lease, you shall continue to timely make all Monthly Payments and pay all other amounts due under the Lease and, cooperate with SolarCity, at SolarCity's sole cost and

expense, to have the System repaired pursuant to the Limited Warranty.

14. LIMITATION OF LIABILITY

(a) No Consequential Damages

SOLARCITY'S LIABILITY TO YOU UNDER THIS LEASE SHALL BE LIMITED TO DIRECT, ACTUAL DAMAGES ONLY. YOU AGREE THAT IN NO EVENT SHALL EITHER PARTY BE LIABLE TO THE OTHER FOR CONSEQUENTIAL, INCIDENTAL, PUNITIVE, EXEMPLARY, SPECIAL OR INDIRECT DAMAGES.

(b) Actual Damages

Except for claims under Section 5(i), neither party's liability to the other will exceed an amount equal to the maximum amount that could be payable by you under Section 16(i). Damages to your Home, belongings or property resulting from the installation or operation of the System are covered in Section 6(c) of the Limited Warranty.

15. DEFAULT

You will be in default under this Lease if any one of the following occurs:

- (a) you fail to make any payment when it is due and such failure continues for a period of ten (10) days;
- (b) you fail to perform any material obligation that you have undertaken in this Lease (which includes doing something you have agreed not to do, like alter the System) and such failure continues for a period of fourteen (14) days after written notice;
- (c) you or your guarantor have provided any false or misleading financial or other information to obtain this Lease;
- (d) you assign, transfer, encumber, sublet or sell this Lease or any part of the System without SolarCity's prior written consent; or
- (e) you or any guarantor makes an assignment for the benefit of creditors, admits in writing its insolvency, files or there is filed against you or it a voluntary petition in bankruptcy, is adjudicated

bankrupt or insolvent or undertakes or experiences any substantially similar activity.

16. REMEDIES IN CASE OF DEFAULT

If this Lease is in default, we may take any one or more of the following actions. If the law requires us to do so, we will give you notice and wait any period of time required before taking any of these actions. We may:

- (a) terminate this Lease and your rights to possess and use the System;
- (b) suspend our performance under this Lease;
- (c) take any reasonable action to correct your default or to prevent our loss; any amount we pay will be added to the amount you owe us and will be immediately due;
- (d) require you, at your expense, to return the System or make it available to us in a reasonable manner;
- (e) proceed, by appropriate court action, to enforce performance of this Lease and to recover damages for your breach;
- (f) disconnect, turn off or take back the System by legal process or self-help, but we may not disturb the peace or violate the law;
- (g) report such non-operational status of the System to your utility, informing them that you are no longer net metering;
- (h) charge you a reasonable reconnection fee for reconnecting the System to your utility or turning your System back on after we disconnect or turn off the System due to your default;
- (i) recover from you (i) all accrued but unpaid Monthly Payments, taxes, late charges, penalties, interest and all or any other sums then accrued or due and owing, plus (ii) the unpaid balance of the aggregate rent, each payment discounted to present value at 5% per annum, plus (iii) reasonable compensation, on a net after tax basis assuming a tax rate of 35%, for the loss or recapture of (A) the investment tax credit equal to thirty percent (30%) of the System cost, including installation; and (B) accelerated depreciation over five (5) years equal to eighty

five percent (85%) of the System cost, including installation, and for the loss of any anticipated benefits pursuant to Section 9 of this Lease (SolarCity shall furnish you with a detailed calculation of such compensation if such a claim is made); or

- (j) use any other remedy available to us in this Lease or by law.

You agree to repay us for any reasonable amounts we pay to correct or cover your default. You also agree to reimburse us for any costs and expenses we incur relating to the System's return resulting from early termination. By choosing any one or more of these remedies, SolarCity does not give up its right to use another remedy. By deciding not to use any remedy should this Lease be in default, SolarCity does not give up our right to use that remedy in case of a subsequent default.

We may submit to credit reporting agencies (credit bureaus) negative credit reports that would be reflected on your credit record if you do not pay any amounts due under this Lease as required.

17. SYSTEM REMOVAL: RETURN

At the end of the Term or the termination of this Lease, if you have not renewed this Lease or exercised your purchase option (if any) and you have not defaulted, then within ninety (90) days you agree to call SolarCity at the telephone number listed in Section 7 of Exhibit 2 to schedule a convenient time for SolarCity to remove the System from your Home at no cost to you.

18. APPLICABLE LAW; ARBITRATION

PLEASE READ THIS SECTION CAREFULLY. ARBITRATION REPLACES THE RIGHT TO GO TO COURT, INCLUDING THE RIGHT TO A JURY AND THE RIGHT TO PARTICIPATE IN A CLASS ACTION OR SIMILAR PROCEEDING. IN ARBITRATION, A DISPUTE IS RESOLVED BY AN ARBITRATOR INSTEAD OF A JUDGE OR JURY.

The laws of the state where your Home is located shall govern this Lease without giving effect to conflict of laws principles. We agree that any dispute, claim or disagreement between us (a "Dispute") shall be resolved exclusively by arbitration.

The arbitration, including the selecting of the arbitrator, will be administered by JAMS, under its Streamlined Arbitration Rules (the "Rules") by a single neutral arbitrator agreed on by the parties within thirty (30) days of the commencement of the arbitration. The arbitration will be governed by the Federal Arbitration Act (Title 9 of the U.S. Code). Either party may initiate the arbitration process by filing the necessary forms with JAMS. To learn more about arbitration, you can call any JAMS office or review the materials at www.jamsadr.com. The arbitration shall be held in the location that is most convenient to your Home. If a JAMS office does not exist within fifty (50) miles of your Home, then we will use another accredited arbitration provider with offices close to your Home.

If you initiate the arbitration, you will be required to pay the first \$125 of any filing fee. We will pay any filing fees in excess of \$125 and we will pay all of the arbitration fees and costs. If we initiate the arbitration, we will pay all of the filing fees and all of the arbitration fees and costs. We will each bear all of our own attorney's fees and costs except that you are entitled to recover your attorney's fees and costs if you prevail in the arbitration and the award you receive from the arbitrator is higher than SolarCity's last written settlement offer. When determining whether your award is higher than SolarCity's last written settlement offer your attorney's fees and costs will not be included.

Only Disputes involving you and SolarCity may be addressed in the arbitration. Disputes must be brought in the name of an individual person or entity and must proceed on an individual (non-class, non-representative) basis. The arbitrator will not award relief for or against anyone who is not a party. If either of us arbitrates a Dispute, neither of us, nor any other person, may pursue the Dispute in arbitration as a class action, class arbitration, private attorney general action or other representative action, nor may any such Dispute be pursued on your or our behalf in any litigation in any court. Claims regarding any Dispute and remedies sought as part of a class action, class arbitration, private attorney general or other

representative action are subject to arbitration on an individual (non-class, non-representative) basis, and the arbitrator may award relief only on an individual (non-class, non-representative) basis. This means that the arbitration may not address disputes involving other persons with disputes similar to the Disputes between you and SolarCity.

The arbitrator shall have the authority to award any legal or equitable remedy or relief that a court could order or grant under this agreement. The arbitrator, however, is not authorized to change or alter the terms of this agreement or to make any award that would extend to any transaction other than yours. All statutes of limitations that are applicable to any dispute shall apply to any arbitration between us. The Arbitrator will issue a decision or award in writing, briefly stating the essential findings of fact and conclusions of law.

BECAUSE YOU AND WE HAVE AGREED TO ARBITRATE ALL DISPUTES, NEITHER OF US WILL HAVE THE RIGHT TO LITIGATE THAT DISPUTE IN COURT, OR TO HAVE A JURY TRIAL ON THAT DISPUTE, OR ENGAGE IN DISCOVERY EXCEPT AS PROVIDED FOR IN THE RULES. FURTHER, YOU WILL NOT HAVE THE RIGHT TO PARTICIPATE AS A REPRESENTATIVE OR MEMBER OF ANY CLASS PERTAINING TO ANY DISPUTE. THE ARBITRATOR'S DECISION WILL BE FINAL AND BINDING ON THE PARTIES AND MAY BE ENTERED AND ENFORCED IN ANY COURT HAVING JURISDICTION, EXCEPT TO THE EXTENT IT IS SUBJECT TO REVIEW IN ACCORDANCE WITH APPLICABLE LAW GOVERNING ARBITRATION AWARDS. OTHER RIGHTS THAT YOU OR WE WOULD HAVE IN COURT MAY ALSO NOT BE AVAILABLE IN ARBITRATION.

19. WAIVER

Any delay or failure of a party to enforce any of the provisions of this Lease, including but not limited to any remedies listed in this Lease, or to require performance by the other party of any of the provisions of this Lease, shall not be construed to (i) be a waiver of such provisions or a party's right to enforce that provision; or (ii) affect the validity of this Lease.

20. NOTICES

All notices under this Lease shall be in writing and shall be by personal delivery, facsimile transmission, electronic mail, overnight courier, or certified, or registered mail, return receipt requested, and deemed received upon personal delivery, acknowledgment of receipt of electronic transmission, the promised delivery date after deposit with overnight courier, or five (5) days after deposit in the mail. Notices shall be sent to the person identified in this Lease at the addresses set forth in this Lease or such other address as either party may specify in writing. Each party shall deem a document faxed or sent via PDF as an original document.

21. ENTIRE AGREEMENT; CHANGES

This Lease contains the parties' entire agreement regarding the lease of the System. There are no other agreements regarding this Lease, either written or oral. Any change to this Lease must be in writing and signed by both parties. If any portion of this Lease is determined to be unenforceable, the remaining provisions shall be enforced in accordance with their terms or shall be interpreted or re-written so as to make them enforceable.

PERFORMANCE GUARANTEE AND LIMITED WARRANTY

1. INTRODUCTION

This Performance Guarantee and Limited Warranty (this “Limited Warranty”) is SolarCity’s agreement to provide you warranties on the System you leased. The System will be professionally installed by SolarCity at the address you listed in the Lease. We will refer to the installation location as your “Property” or your “Home.” This Limited Warranty begins when we start installing the System at your Home. We look forward to helping you produce clean, renewable solar power at your Home.

2. LIMITED WARRANTIES

(a) Limited Warranties

SolarCity warrants the System as follows:

(i) System Warranty

During the entire Lease Term, under normal use and service conditions, the System will be free from defects in workmanship or defects in, or a breakdown of, materials or components (the “System Warranty”);

(ii) Roof Warranty

When we penetrate your roof during a System installation we will warrant roof damage we cause due to our roof penetrations. This roof warranty will run the longer of (A) one (1) year following the completion of the System installation; and (B) the length of any existing installation warranty or new home builder performance standard for your roof (the “Roof Warranty Period”); and

(iii) Repair Promise

During the entire Lease Term, SolarCity will honor the System Warranty and will repair or replace any defective part, material or component or correct any defective workmanship, at no cost or expense to you (including all labor costs), when you submit a valid claim to us under this Limited Warranty (the “Repair Promise”). If we damage your Home, your belongings or your Property we will repair the damage we cause or pay you for the damage we cause as described in Section 6. SolarCity may use new or reconditioned parts when making repairs or replacements. SolarCity may also, at no additional cost to you, upgrade or add to any part of the System to ensure that it performs according to the guarantees set forth in this Limited Warranty. Cosmetic repairs that do not involve safety or performance shall be made at SolarCity’s discretion.

(b) Warranty Length

- (i) The warranties in Sections 2(a)(i) and (a)(iii) above will start when we begin installing the System at your Home and continue through the entire Lease Term but never less than ten (10) years. Thus, for as long as you lease the System from SolarCity, you will have a System Warranty and our Repair Promise.
- (ii) The Roof Warranty Period may be shorter than the System Warranty, as described in Section 2(a)(ii) above.
- (iii) If you have assumed an existing Lease, then this Limited Warranty will cover you for the remaining balance of the existing Lease Term.

(c) Performance Warranties and Guarantee

(i) Power Production Guarantee

SolarCity guarantees that during the Lease Term the System will generate the guaranteed kilowatt-hours (kWh) (“Guaranteed kWh”) in the table set forth below as follows:

YEAR TOTAL KWH GUARANTEED PRICE/KWH

2	9,176	\$0.0959
4	18,261	\$0.0978
6	27,256	\$0.0998
8	36,160	\$0.1018
10	44,976	\$0.1038
12	53,704	\$0.1059
14	62,344	\$0.1081
16	70,899	\$0.1102
18	79,368	\$0.1125
20	87,753	\$0.1147

A. If at the end of each successive twenty four (24) month anniversary of your first monthly payment the cumulative Actual kWh (defined below) generated by the System is less than the Guaranteed kWh, **then we will send you a refund check** equal to the difference between the cumulative Actual kWh and the Guaranteed kWh multiplied by the Guaranteed Energy Price per kWh (defined below). If you make that request within thirty (30) days after the end of a twenty four (24) month period as described above, we will make the payment for that period within thirty (30) days after our receipt of your request. Your cumulative Actual kWh is dependent on a shading percentage of 2 % on your Home. If this shading percentage increases, your Guaranteed Actual kWh will be reduced proportionately.

For example, if the first twenty four (24) month period commences on October 1, 2013 and ends on September 30, 2015, and the energy the System was supposed to generate is less than the energy the system was guaranteed to generate during such twenty four (24) month period, we will pay you the difference in the Actual kWh and the Guaranteed kWh multiplied by the Guaranteed Energy price per kWh within thirty (30) days after we receive your request. See the table below for a real world example.

Example Guaranteed kWh	Example Actual kWh	Example Guaranteed \$/kWh Energy Price	Example Payment to You
10,000	9,500	\$0.10	\$50.00

B. If at the end of each successive twenty (24) month anniversary of your first monthly payment the Actual kWh is **greater** than the Guaranteed kWh during any twenty four (24) month period, this surplus will be carried over and will be used to offset any deficits that may occur in the future. If over the course of the Term your System produces more energy than the Guaranteed Output then this additional energy is yours at no additional cost.

“Actual kWh” means the AC electricity produced by your System in kilowatt-hours measured and recorded by SolarCity during each successive twenty four (24) month anniversary of your first monthly payment. To measure the Actual kWh we will use the SolarGuard® Monitoring Service or to the extent such services are not available, we will estimate the Actual kWh by reasonable means.

“Guaranteed Energy Price per kWh” is set out in the table immediately after the first paragraph in Section 2(c)(i) above.

(ii) SolarGuard®

During the Lease Term, we will provide you at no additional cost our SolarGuard Monitoring Service (“SolarGuard”). SolarGuard is a proprietary monitoring system designed and installed by SolarCity that captures and displays historical energy generation data over an Internet connection and consists of hardware located on site and software hosted by SolarCity. If your System is not operating within normal ranges, SolarGuard will alert us and we will remedy any material issues promptly.

(iii) PowerGuide™

If you have upgraded your Lease to include the PowerGuide™ Monitoring Service (“PowerGuide”), SolarCity will provide it to you for the first ten (10) years of the Lease Term. PowerGuide is a SolarGuard improvement that captures and displays historical energy consumption data. Not all home power systems are compatible with PowerGuide. If you ordered PowerGuide and your Home is not compatible with PowerGuide, then SolarCity will adjust your Lease payments to reflect its removal.

(d) Maintenance and Operation

(i) General

When the System is installed SolarCity will provide you with a copy of its Solar Operation and Maintenance Guide. This Guide provides you with System operation and maintenance instructions, answers to frequently asked questions, troubleshooting tips and service information.

(ii) SolarGuard

Both the SolarGuard service and its PowerGuide upgrade require a high speed Internet line to operate. Therefore, during the Lease Term, you agree to maintain the communication link between SolarGuard and the System and between SolarGuard and the Internet. You agree to maintain and make available, at your cost, a functioning indoor Internet connection with one available wired Ethernet port and standard AC power outlet within eighty (80) feet of the System's AC/DC inverter(s). This communication link must be a 10/100 Mbps Ethernet connection that supports common Internet protocols (TCP/IP and DHCP). If you do not have and maintain a working high speed Internet line then (A) we will not be able to monitor the System and provide you with the Power Production Guarantee or provide a PowerGuide upgrade; and (B) you will be required to provide SolarCity with annual production information from your inverter.

(e) Making a Claim; Transferring this Warranty

(i) Claims Process

You can make a claim by:

- A. emailing us at the email address in Section 7 below;
- B. writing us a letter and sending it overnight mail with a well-known service; or
- C. sending us a fax at the number in Section 7 below.

(ii) Transferable Limited Warranty

SolarCity will accept and honor any valid and properly submitted Warranty claim made during any Lease Term by any person who either purchases the System from you or to whom you properly transfer the Lease.

(f) Exclusions and Disclaimer

The limited warranties and guarantee provided in this Limited Warranty do not apply to any lost power production or any repair, replacement or correction required due to the following:

- (i) someone other than SolarCity or its approved service providers installed, removed, re-installed or repaired the System;
- (ii) destruction or damage to the System or its ability to safely produce power not caused by SolarCity or its approved service providers while servicing the System (e.g. if a tree falls on the System we will replace the System per the Lease, but we will not repay you for power it did not produce);
- (iii) your failure to perform, or breach of, your obligations under the Lease (e.g. you modify or alter the System);
- (iv) your breach of this Limited Warranty, including your being unavailable to provide access or assistance to us in diagnosing or repairing a problem, or your failing to maintain the System as stated in the Solar Operation and Maintenance Guide;
- (v) any Force Majeure Event (as defined below);
- (vi) shading from foliage that is new growth or is not kept trimmed to its appearance on the date the System was installed;
- (vii) any system failure or lost production not caused by a System defect (e.g. the System is not producing power because it has been removed to make roof repairs or you have required us to locate the inverter in a non-shaded area); and
- (viii) theft of the System (e.g. if the System is stolen we will replace the System per the Lease, but we will not repay you for the power it did not produce).

This Limited Warranty gives you specific rights, and you may also have other rights which vary from state to state. This Limited Warranty does not warrant any specific electrical performance of the System, other than that described above.

THE LIMITED WARRANTIES DESCRIBED IN SECTIONS 2(a) and (c) ABOVE ARE THE ONLY EXPRESS WARRANTIES MADE BY SOLARCITY WITH RESPECT TO THE SYSTEM. SOLARCITY HEREBY DISCLAIMS, AND ANY BENEFICIARY OF THIS LIMITED WARRANTY HEREBY WAIVES, ANY WARRANTY WITH RESPECT TO ANY COST SAVINGS FROM USING THE SYSTEM. SOME STATES DO NOT ALLOW SUCH LIMITATIONS, SO THE ABOVE LIMITATIONS MAY NOT APPLY TO YOU.

3. SOLARCITY'S STANDARDS

For the purpose of this Limited Warranty the standards for our performance will be (i) normal professional standards of performance within the solar photovoltaic power generation industry in the relevant market; and (ii) Prudent Electrical Practices. "Prudent Electrical Practices" means those practices, as changed from time to time, that are engaged in or approved by a significant portion of the solar power electrical generation industry operating in the United States to operate electric equipment lawfully and with reasonable safety, dependability, efficiency and economy.

4. SYSTEM REPAIR, RELOCATION OR REMOVAL

- (a) **Repair.** You agree that if (i) the System needs any repairs that are not the responsibility of SolarCity under this Limited Warranty, (ii) the system needs to be removed and reinstalled to facilitate remodeling of your Home or (iii) the system is being relocated to another home you own pursuant to the Lease, you will have SolarCity, or another similarly

qualified service provider, at your expense, perform such repairs, removal and reinstallation, or relocation on a time and materials basis.

- (b) **Removal/Moving.** SolarCity will remove and replace the System from your roof while roof repairs are being made for a payment of \$499. You will need to provide storage space for the System during such time. Where permitted under the Lease, SolarCity will work with you to conduct an audit of your existing Home and new home to determine if a move is commercially feasible. This audit will cost \$499. If SolarCity determines that a move is commercially feasible, it will then move the System for an additional payment of \$499.
- (c) **Return.** If at the end of the Term you want to return the System to SolarCity under Section 17 of the Lease then SolarCity will remove the System at no cost to you. SolarCity will remove the posts, waterproof the post area and return the roof as close as is reasonably possible to its original condition before the System was installed (e.g. ordinary wear and tear and color variances due to manufacturing changes are excepted). SolarCity will warrant the waterproofing for one (1) year after it removes the System. You agree to reasonably cooperate with SolarCity in removing the System including providing necessary space, access and storage, and we will reasonably cooperate with you to schedule removal in a time and manner that minimizes inconvenience to you.

5. FORCE MAJEURE

If SolarCity is unable to perform all or some of its obligations under this Limited Warranty because of a Force Majeure Event, SolarCity will be excused from whatever performance is affected by the Force Majeure Event, provided that:

- (a) SolarCity, as soon as is reasonably practical, gives you notice describing the Force Majeure Event;
- (b) SolarCity's suspension of its obligations is of no greater scope and of no longer duration than is required by the Force Majeure Event (i.e. when a Force Majeure Event is over, we will make repairs); and
- (c) No SolarCity obligation that arose before the Force Majeure Event that could and should have been fully performed before such Force Majeure Event is excused as a result of such Force Majeure Event.

"Force Majeure Event" means any event, condition or circumstance beyond the control of and not caused by SolarCity's fault or negligence. It shall include, without limitation, failure or interruption of the production, delivery or acceptance of power due to: an act of god; war (declared or undeclared); sabotage; riot; insurrection; civil unrest or disturbance; military or guerilla action; terrorism; economic sanction or embargo; civil strike, work stoppage, slow-down, or lock-out; explosion; fire; earthquake; abnormal weather condition or actions of the elements; hurricane; flood; lightning; wind; drought; the binding order of any governmental authority (provided that such order has been resisted in good faith by all reasonable legal means); the failure to act on the part of any governmental authority (provided that such action has been timely requested and diligently pursued); unavailability of power from the utility grid, equipment, supplies or products (but not to the extent that any such availability of any of the foregoing results from SolarCity's failure to have exercised reasonable diligence); power or voltage surge caused by someone other than SolarCity including a grid supply voltage outside of the standard range specified by your utility; and failure of equipment not utilized by SolarCity or under its control.

6. LIMITATIONS ON LIABILITY

(a) No Consequential Damages

YOU MAY ONLY RECOVER DIRECT DAMAGES INCLUDING THOSE AMOUNTS DUE PURSUANT TO SECTIONS 2(c) AND 6(C) UNDER THIS LIMITED WARRANTY, AND IN NO EVENT SHALL SOLARCITY OR ITS AGENTS OR SUBCONTRACTORS BE LIABLE TO YOU OR YOUR ASSIGNS FOR SPECIAL, INDIRECT, PUNITIVE, EXEMPLARY, INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY NATURE. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU.

(b) Limitation of Duration of Implied Warranties

ANY IMPLIED WARRANTIES, INCLUDING THE IMPLIED WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE AND MERCHANTABILITY ARISING UNDER STATE LAW, SHALL IN NO EVENT EXTEND PAST THE EXPIRATION OF ANY WARRANTY PERIOD IN THIS LIMITED WARRANTY. SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU.

(c) Limit of Liability

Notwithstanding any other provision of this Limited Warranty to the contrary, SolarCity's total liability arising out of relating to this Limited Warranty shall in no event:

- (i) For System Replacement: exceed the greater of (a) the sum of the Lease payments over the Term of the Lease; and (b) the original cost of the System; and
- (ii) For damages to your Home, Belongings and Property: exceed two million dollars (\$2,000,000).

This Limited Warranty protects only the person who leases the System. Consumer Protection Notice

Actions to Take When Hiring a Contractor

(ORS 701.330 (1))

TAKE ACTION TO HELP MAKE YOUR PROJECT SUCCESSFUL

- 1. Make sure your contractor is properly licensed** before you sign a contract or lease. Visit www.oregon.gov/ccb, and click on the link, **Check on a Contractor's License**, or call our offices at 503-378-4621. To be licensed in Oregon, contractors or employees who exercise supervisory authority over construction activities, must take training and pass a test on business practices and law. Licensing is not a guarantee of the contractor's work.
 - **A license also requires the contractor to have a surety bond and liability insurance**
Depending on license category, the COB surety bond provides from \$5,000 to \$20,000 coverage if the contractor is ordered to pay damages in contract disputes. Insurance coverage provides from \$100,000 to \$500,000 in general liability for property damage and bodily injury caused by the contractor.
 - **If your contractor is not licensed** - the CCB bond and dispute resolution services will not be available to you.
- 2. What you should know about bids, contracts, and change orders: GET IT IN WRITING!** Always get bids, the contract, and any changes to the contract in writing. Make sure the contractor name, CCB number and contact information are included on any written documents related to your project.
 - **Bids** - *Do not automatically accept the lowest bid* - A low bid may make it necessary for the contractor to use lower quality materials and to cut corners in workmanship.
 - **Contracts and Change Orders** - *Always get it in writing*. Your contractor is required to provide a written contract if the contract price is more than \$2000. The CCB recommends that all contracts be in writing.
 - **Make sure the contractor's name, CCB number, and contact information** is included in the contract
 - **For your protection** - *Contracts should be as detailed as possible*. Some items to include are materials and costs, permits, estimated start and completion dates, debris removal, and arbitration clauses.
 - **Read and understand your contract before signing it** - Don't be pressured into signing your contract without taking the time needed to go through it. Make sure it includes enough details to avoid misunderstandings and to protect you and your property.
- 3. Additional contract information you should know:**
 - **A Payment Schedule** - should be included in the contract. Stick to the schedule and never pay in full for a project before the work is complete.
 - **Special Note on Liens** - Subcontractors and material suppliers that work on your project are often paid by the general contractor. If a general contractor fails to pay, the subcontractor may file a lien on your property. For information on construction liens, visit the CCB's Consumer Help Page at www.oregon.gov/ccb or contact an attorney.
- 4. If you should have a problem with your contractor** - You can file a complaint with the CCB against a licensed contractor within one year of the substantial completion of work on your project. Contact the CCB office at 503-378-4621 for help.

Information Notice To Owner About Construction Liens

(ORS 87.093)

This is not a lien. Your contractor is required by law to provide this notice to inform you about construction lien laws. This notice explains the construction lien law, and gives steps you can take to protect your property from a valid lien. As an owner, you should read this information notice carefully. This information notice is required to be given if you contract for residential construction or remodeling, if you are buying a new home, or at any time the contract price exceeds \$1,000.

- Under Oregon law, your contractor and others who provide labor, materials, equipment, or services to your project may be able to claim payment from your property if they have not been paid. That claim is called a Construction Lien.
- If your contractor does not pay subcontractors, employees, rental equipment dealers, materials suppliers, or does not make other legally required payments, those who are owed money may place a lien against your property for payment. **It is in your best interest to verify that all bills related to your contract are paid, even if you have paid your contractor in full.**
- If you occupy or will occupy your home, persons who supply materials, labor, equipment, or services ordered by your contractor are permitted by law to file a lien against your property only if they have sent you a timely Notice of Right to Lien (which is different from this Information Notice), before or during construction. If you enter into a contract to buy a newly-built, partially-built, or newly-remodeled home, a lien may be claimed even though you have not received a Notice of Right to a Lien. If you do not occupy the building, a Notice of Right to Lien is not required prior to filing a lien.

This notice is not intended to be a complete analysis of the law. You should consult an attorney for more information.

Notice of Procedure Regarding Residential Construction Arbitrations and Lawsuits

(ORS 701.330 (2))

Oregon law contains important requirements that homeowners must follow before starting an arbitration or court action against any contractor, subcontractor, or supplier (materials or equipment) for construction defects.

Before you start an arbitration or court action, you must do the following:

1. Deliver a written notice of any conditions that you believe are defective to the contractor, subcontractor, or supplier that you believe is responsible for the alleged defect.
2. Allow the contractor, subcontractor, supplier, or its agent, to visually inspect the possible defects and also allow the contractor, subcontractor, or supplier to do reasonable testing.
3. Provide the contractor, subcontractor, supplier, or its agent, the opportunity to make an offer to repair or pay for the defects. You are not obligated to accept any offer made.

There are strict procedures and deadlines that must be followed under Oregon law.

Failure to follow those procedures or meet those deadlines will affect your right to start an arbitration or court action.

You should contact an attorney for information on the procedures and deadlines required under Oregon law.

Your contractor is supplying this notice to you as required by Oregon law.
